

Discuss with your partner the potential consequences
What would happen if no one voted in the next election?

Share your thoughts with your partner
Why is voting important in a democratic society?

Consider the impact on leadership
What qualities make a good leader in government?

Think about the role of citizens
What responsibilities do citizens have in a democracy?

Discuss with your partner
How does voting influence government policies?

Reflect on historical events
Can you think of a time when voter turnout was particularly low? What happened as a result?

Consider the role of media
How does media influence voter behavior and election outcomes?

Discuss with your partner
What might be some reasons people choose not to vote?

Think about future implications
How might low voter turnout affect future generations?

Share your ideas
What can be done to encourage more people to vote?
